Why Choose Wan-Neng?

Overseas Student Program Experience

12 Years × About 2,500 Students

Years of experience in supporting overseas students, helping them study in Taiwan with confidence and progress steadily.

Outstanding Level B Skill Certification Results

Strong hands-on learning outcomes help students build professional skills and improve their competitiveness for further studies and careers.

TOCFL and Mandarin Support

Students receive Mandarin preparation and support for adapting to courses and daily life in Taiwan.

Dormitory and Life Care

Dormitory, homeroom teacher care, counseling, and campus support help families feel at ease.

Wan-Neng sets sail with skills, dreams, and a path to the future!

Cost and Internship Information

Item	Reference Amount
Registration Fee	About NT\$10,000 / semester
Dormitory Fee	About NT\$2,100 / 3 months
Average Monthly Dorm Fee	About NT\$700 / month
Internship Allowance	About NT\$29,500 / month
Six-Month Internship Estimate	About NT\$177,000

Actual fees and internship allowances follow school announcements, partner companies, and annual regulations.

Scholarships and Support

Subsidies, scholarships, and life support follow eligibility requirements and annual regulations.

New Student Supplies and Uniform Support

Assistance with basic living items, uniforms, and school supplies helps reduce initial costs.

Recommendation Scholarship

Recommended students may apply for scholarships when eligibility requirements are met.

Airport Pickup Support

After arrival in Taiwan, the school can arrange pickup support to reduce first-arrival anxiety.

Dormitory, Life, and Study Guidance

Dormitory assistance, life care, academic support, and pathway information help students complete their studies.
